

HOUSE BILL NO. 2

INTRODUCED BY J. SESSO

BY REQUEST OF THE OFFICE OF BUDGET AND PROGRAM PLANNING

A BILL FOR AN ACT ENTITLED: "AN ACT APPROPRIATING MONEY TO VARIOUS STATE AGENCIES FOR THE BIENNIUM ENDING JUNE 30, 2011; AND PROVIDING AN EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. **Section 1. Short title.** [This act] may be cited as "The General Appropriations Act of 2009".

NEW SECTION. **Section 2. First level expenditures.** The agency and program appropriation tables in the legislative fiscal analyst narrative accompanying this bill, showing first level expenditures and funding for the 2011 biennium, are adopted as legislative intent.

NEW SECTION. **Section 3. Severability.** If any section, subsection, sentence, clause, or phrase of [this act] is for any reason held unconstitutional, the decision does not affect the validity of the remaining portions of [this act].

NEW SECTION. **Section 4. Appropriation control.** An appropriation item designated "Biennial" may be spent in either year of the biennium. An appropriation item designated "Restricted" may be used during the biennium only for the purpose designated by its title and as presented to the legislature. An appropriation item designated "One Time Only" or "OTO" may not be included in the present law base for the 2013 biennium. The office of budget and program planning shall establish a separate appropriation on the statewide accounting, budgeting, and human resource system for any item designated "Biennial", "Restricted", "One Time Only", or "OTO". The office of budget and program planning shall establish at least one appropriation on the statewide accounting, budgeting, and human resource system for any appropriation that appears as a separate line item in [this act].

NEW SECTION. **Section 5. Program definition.** As used in [this act], "program" has the same meaning as defined in 17-7-102, is consistent with the management and accountability structure established on the statewide accounting, budgeting, and human resource system, and is identified as a major subdivision of an agency ordinaly numbered with an

1 Arabic numeral.

2 NEW SECTION. **Section 6. Personal services funding -- 2013 biennium.** (1) Except as provided in subsection (2), present law and new proposal funding budget requests for
3 the 2013 biennium submitted under Title 17, chapter 7, part 1, by each executive, judicial, and legislative branch agency must include funding of first level personal services separate from
4 funding of other expenditures. The funding of first level personal services by accounting entity or equivalent for each fiscal year must be shown at the fourth reporting level or equivalent in
5 the budget request for the 2013 biennium submitted by November 1 to the legislative fiscal analyst by the office of budget and program planning.

6 (2) The provisions of subsection (1) do not apply to the Montana university system.

7 NEW SECTION. **Section 7. OTO general fund appropriations in excess of \$1 million in biennium -- contingency.** Expenditures from the one-time-only general fund
8 appropriations in excess of \$1 million are contingent upon a projected unreserved general fund ending fund balance for fiscal year 2011 in excess of \$100 million. If at any time prior to
9 the convening of the 2011 legislative session the office of budget and program planning projects a 2011 biennium unreserved ending general fund balance of less than \$100 million, the
10 office of budget and program planning may direct the agency receiving the one-time-only general fund appropriations in excess of \$1 million for the 2011 biennium to reduce spending of
11 the appropriation to the level necessary to maintain a \$100 million fund balance. If the projected unreserved general fund ending fund balance increases at a later point in the 2011
12 biennium, the spending may be increased back to the original appropriated level. The office of budget and program planning may not direct spending to be reduced below the level of
13 current expenditures and encumbrance obligations made against the appropriation at the time of the reduction.

14 NEW SECTION. **Section 8. Totals not appropriations.** The totals shown in [this act] are for informational purposes only and are not appropriations.

15 NEW SECTION. **Section 9. Effective date.** [This act] is effective July 1, 2009.

16 NEW SECTION. **Section 10. Appropriations.** The following money is appropriated for the respective fiscal years:

**Legislative
Services

12	Liquor division proprietary funds necessary to maintain adequate inventories, pay freight charges, and transfer profit and taxes to appropriate accounts are appropriated from the												
13	liquor enterprise fund (06005) to the department in amounts not to exceed \$129 million in fiscal year 2010 and \$141 million in fiscal year 2011.												
14	If the department is unable to meet statutory service levels because of the increase in demand for liquor products, the department may hire additional temporary employees or												
15	pay overtime, whichever is determined to be the most cost-effective, to maintain required service levels to agency liquor stores. In fiscal year 2010 and in fiscal year 2011, the department												
16	is appropriated not more than \$50,000 each year for additional costs from the liquor enterprise fund (06005) to meet the service level requirements.												
17	In the liquor division, upon a termination that requires a payout of accrued leave balances, liquor division proprietary funds are appropriated from the liquor enterprise fund												
18	(06005) to the department in the amount equal to the payout of the accrued leave balances, not to exceed \$40,000 for each of fiscal years 2010 and 2011.

8	The department is appropriated up to \$600,000 for the 2011 biennium from the state special revenue account established in 15-38-301 for the purchase of prior liens on property											
9	held as loan security as required by 85-1-615.											
10	The department is authorized to decrease federal special revenue in the Pollution Control and/or Drinking Water Revolving Fund Loan programs and increase state special											
11	revenue by a like amount within the special administration account when the amount of federal EPA CAP funds has been expended or federal funds and bond proceeds will be used for											
12	other program purposes.											
13	There is appropriated up to \$1 million of state special revenue for the 2011 biennium from the coal bed methane protection account to fund potential landowner or water right											
14	holder claims for emergency loss of water related to coal bed methane development.											
15	If Montana Rural Water Systems receives federal funding during the 2011 biennium, Montana Rural Water Systems is reduced by a like amount.											
16	During the 2011 biennium, up to \$1 million of funds currently in or to be deposited in the Broadwater replacement and renewal account is appropriated to the department for											
17	repairing or replacing equipment at the Broadwater hydropower facility.											
18	During the 2011 biennium, up to \$100,000 of interest earned on the Broadwater water users account is appropriated to the department for the purpose of repair, improvement, or											
19	rehabilitation of the Broadwater-Missouri diversion project.											
20	During the 2011 biennium, up to \$500,000 of funds currently in or to be deposited in the state project hydropower earnings account is appropriated for the purpose of repairing,											
21	improving, or rehabilitating department state water projects.
